About the Balanced Man Scholarship

Sigma Phi Epsilon, the nation's largest college fraternity, is awarding incoming freshmen with over \$100,000 in scholarships this year. The Balanced Man Scholarship awards incoming freshmen who exhibit academic excellence, demonstrate leadership skills, and commit to health and well-being. New York Delta is celebrating its fifth annual BMS process.

Who Can Apply?

ANY incoming freshman. The application is non-binding and in no way are there any obligations resulting from the submission of the application. We offer the scholarship to all incoming freshmen (both men and women) and we consider all applications equally. In fact, two of the past three winners have been women. In no way is there discrimination based on race, religion, gender, or any other factor. There's no pressure for any Greek commitment either (more than 60% of past applicants aren't affiliated with Greek organizations). The application takes only about 5 minutes to fill out and there are no essays required. If you'd prefer to submit an online application, you may do that at <http://scholarship.sigepnyd.org>.

Then What?

We review each application individually. Following the submission of your application, you may be contacted for additional information or to elaborate on information on your application. The winners will be notified towards the beginning of the fall semester and will be invited to attend our awards banquet in October. Parents of finalists are also welcome to attend.

How it Works

We are able to award an incoming freshman every year thanks to the Sigma Phi Epsilon Educational Foundation. The Foundation maintains an endowment which maintained by the contributions of individual chapters, to which alumni make donations. Each chapter that contributes is permitted access to a portion of the fund each year to award scholarships. The Foundation ensures that SigEp will be prepared to honor excellence for years to come. In addition to the \$1000 grand prize, we have also offered four \$250 scholarships to the remaining finalists the past two years, a tradition we plan to continue this coming year.

Past Winners (2008 – 2011)

Runners Up (\$250): Christopher Girard, Linnea Tilberg, Michelle Denny, Joseph Bernstein, Scott Sacci, Tamar Daniels, Alex Bruening, Terrance McGovern
